APPLICATION FOR HERD/STUD REGISTRATION

Please note that it is not compulsory to enrol a Herd/Stud Name when joining The Dexter Cattle Society New Zealand Inc. However Herd/Stud enrolment will be necessary to enable the registration of any animals that you breed.

Herd/Stud Name

Your Herd/Stud name is used as a prefix to – and as part of the name of – the Dexter cattle you register (e.g. If your Herd/Stud name is **Black Park** and you want to call your animal Elizabeth, you would put the following, **Black Park Elizabeth**). Many breeders use their property name as their Herd/Stud name. However, the Herd/Stud name of any herd must be unique within the Dexter Cattle Society New Zealand Inc. Please submit two choices for your Herd/Stud name, each of no more than 15 characters, including spaces between words.
